

MAKING IT WORK

Practical solutions in occupational health

ANZSOM Annual Scientific Meeting 2019
27-30 October 2019 | Adelaide

In collaboration with the Australasian
Faculty of Occupational and Environmental
Medicine (AFOEM) as program partner

The Australian and New Zealand Society of Occupational Medicine (ANZSOM) together with the Australasian Faculty of Occupational and Environmental Medicine (AFOEM) as our scientific partner, invite you to the ANZSOM 2019 Annual Scientific Meeting, to be held from Sunday 27 to Wednesday 30 October at the Playford Hotel in Adelaide.

In *Making it Work* we offer networking, collaboration and education, with a focus on practical aspects of occupational medicine. An exciting program is already shaping up and will feature Dr Gary Franklin as our international guest and keynote presenter as well as local experts, popular site visits, CPR and Mental Health First Aid. You will also have opportunities to experience iconic sights, sounds and flavours of this great city!

Please register by completing the form included in this brochure or register online via the ANZSOM website. Benefit from the special rates for ANZSOM and AFOEM members and from early-bird discounts which are available until 31st July 2019.
