

The Australian and New Zealand  
Society of Occupational Medicine Inc

# CORPORATE GROUP MEMBERSHIP 2026

Your employees benefit from:

## EDUCATION & PROFESSIONAL DEVELOPMENT

They can learn anytime and anywhere with our library of online learning modules. Educational events are offered online via regular webinars, as well as locally in each state and nationally through our annual conference. CPD Updates help keep them up to date with information, resources and events. Members also have access to a number of occupational medicine journals.

## NETWORKING & COLLABORATION

Your employees can share and access knowledge and expertise by connecting with health professionals from a wide range of backgrounds. They can also tap into leaders and influencers across the occupational health industry.

## ENGAGEMENT, ADVOCACY & RECOGNITION

The ANZSOM community thrives on the input and experience of its members and there are numerous opportunities to be involved to be a voice for Good Work, Healthy Workers and Safe Workplaces. You and your employees can contribute to the activities of the organisation and lend your expertise to promote occupational health interests and improve occupational health delivery for workers and workplaces.

**PLUS a range of subscriber offers and discounts!**

## About ANZSOM

### GOOD WORK // SAFE WORKPLACES // HEALTHY WORKERS

ANZSOM is the professional society for those who practice or have an interest in the fields of occupational medicine, occupational nursing and workplace health more generally. The society seeks to advance the knowledge, practice and standing of occupational health by providing opportunities for professional development, networking and collaboration.

## Corporate Group Membership Package

This membership initiative supports access to ANZSOM benefits and services for medical practitioners, nurses and other interested professionals working in the corporate area.
