

The Australian and New Zealand
Society of Occupational Medicine Inc

CORPORATE GROUP MEMBERSHIP 2021

Your employees benefit from:

EDUCATION & PROFESSIONAL DEVELOPMENT

They can learn anytime and anywhere with our library of online learning modules. Educational events are offered online via regular webinars, as well as locally in each state and nationally through our annual conference. Learning Update newsletters help keep them up to date with information, resources and events. A new initiative for our Annual Scientific Meeting was the virtual Exhibition Hall and a number of our Corporate Group members took up these virtual pages for the ASM exhibition in 2020 – so flexibility is available.

NETWORKING & COLLABORATION

Your employees can share and access knowledge and expertise by connecting with health professionals from a wide range of backgrounds. They can also tap in to leaders and influencers across the occupational health industry.

ENGAGEMENT, ADVOCACY & RECOGNITION

There are numerous opportunities to be involved and be a voice to promote occupational health interests. ANZSOM has a page on our website dedicated to Corporate Group Supporters. Your employees can also contribute their expertise through external representation and activities to inform government policies. ANZSOM thrives on the input and experience of members in their contribution to the Society and its goals.

PLUS a range of subscriber offers and discounts!

About ANZSOM

GOOD WORK // SAFE WORKPLACES // HEALTHY WORKERS

ANZSOM is the professional society for those who practice or have an interest in the fields of occupational medicine, occupational nursing and workplace health more generally. The society seeks to advance the knowledge, practice and standing of occupational health by providing opportunities for professional development, networking and collaboration.

Corporate Group Membership Package

This membership initiative supports access to ANZSOM benefits and services for medical practitioners, nurses and other interested professionals working in the corporate area. The [Corporate Group Membership Package](#) enables discounts for group membership to ANZSOM, thus providing a valuable avenue to professional development and interaction, and a valuable employee benefit.

Specifically, individual member will receive:

- Member discount for [Annual Scientific Meeting](#) registration (ASM2021 will be held in Brisbane towards the end of the year)
- [Monthly free webinars](#) on a range of contemporary topics
- Member discount for [Branch Educational events](#)
- Access to our online library of [learning modules and presentations](#)
- Free access to [Occupational & Environmental Medicine](#), the renowned BMJ journal
- Opportunity to participate in the NEW ANZSOM Journal Club
- Quarterly member newsletter
- Quarterly Learning Updates
- Regular communication on news, publications, resources and events related to occupational health issues
- The ability to promote their expertise and your company with a public profile via 'Find an Expert' function
- Access to full voting rights (Full members only)

Some of our great webinar topics for 2021 include:

- Migraines and the workplace
- New approach to assessment of cardiovascular risks
- Mental issues in the work place
- Diabetes and impact on fitness for work
- Pregnancy and work
- Preventative management of dental issues in the workplace
- Hernias with an occupational perspective of risks
- Occupational health professionals as an expert in the court
