

JOURNAL CLUB

2020 Inaugural Meeting

Historical Background

Benefits of Journal Club

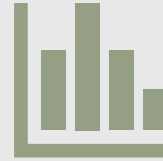

- Evidenced Based Medicine "...the conscientious, explicit, and judicious use of current best evidence in making decisions about the care of individual patients' (Sackett et al, 1996)
- Link research to clinical practice through continuing Medical Education (Esis, 2007; Leung et al, 2013)
- Academic debate and networking (Esis, 2007)
- Promote mentorship and collaborative learning
- Trainees develop critical appraisal skills including research design, biostatistics and evidence quality
- Practice for Ramazzini and future publication
- New IT advances can be utilised to enhance discussion and provide connectivity
- Combining shared professional interests
- Broaden professional, local and international networks.
