

Occupational Medicine Practitioner

IMMEX is seeking a Doctor(GP) experienced or interested in occupational medicine or Occ Physician trainee. No VR requirement. Full-time role. Fees at or above AMA rates. The role meets the requirements of an Occupational Physician trainee / registrar.

- Join one of the leading specialised Occupational Health Practices in Sydney
- Busy, fast paced team environment with great nurse, peer and admin support
- Registered Occupational Health training facility

Our vision is to be known as, the pre-eminent provider of occupational medical services in Sydney.

IMMEX is a well-established, specialised Occupational Medicine Practice with comprehensive facilities, an integrated physiotherapy practice and nursing support. We have clinics in Waterloo and Parramatta and plans to expand further.

IMMEX has a single owner who is an Occupational Medicine practitioner himself, so there is no multi-tiered corporate management structure and you have the ability to contribute and be heard.

IMMEX is a structured model with an established large and growing corporate client base, representing a wide range of industries in both the private and public sector. All billing is at or above full AMA rates – No Bulk Billing or Medicare.

IMMEX has a collegiate spirit. You would be working with the support of other occupational medical doctors and occupational physicians. Onsite mentoring, training and support can be provided by experienced Consultant Occupational Physicians and other doctors with expertise, special interest and training in Occupational Medicine and Medico-legal Opinion and Assessment.

Full time or substantial part time work is available providing treatment of occupational injury or illness, performing employment related medical assessments and giving independent evidence based medical advice and opinions. Also opportunities for workplace assessment, occupational health surveillance, risk assessment and work site visits.

The ideal candidate criteria:

- Full Medical Practitioner Registration with AHPRA
- Good knowledge and experience in general medicine, musculo-skeletal and occupational medicine
- Willingness to embrace our proven practice philosophy
