Discover the benefits of ANZSOM membership

As the society supporting medical and nursing professionals working in occupational medicine, ANZSOM provides a range of benefits and opportunities for AFOEM trainees, as well as discounted membership. So, get your career off to a great start – join ANZSOM today!

EDUCATION & PROFESSIONAL DEVELOPMENT

Learn anytime and anywhere with our library of online learning modules. Develop professionally through educational events offered locally in your state and nationally through our webinars and annual conference, including our *Occupational Medicine 101* series, specifically designed for AFOEM Trainees.

NETWORKING & COLLABORATION

Establish connections to grow your professional network. Share and access knowledge and expertise with health professionals from a wide range of backgrounds. Tap into leaders and influencers across the occupational health industry.

ENGAGEMENT, ADVOCACY & RECOGNITION

Get involved and be a voice to promote occupational health interests. Contribute your expertise through external representation and inform government policies. ANZSOM thrives on the input and experience of members in their contribution to the Society and its goals.

ABOUT ANZSOM

GOOD WORK – SAFE WORKPLACES – HEALTHY WORKERS

ANZSOM is the professional society for those who practice or have an interest in the fields of occupational medicine, occupational nursing and workplace health more generally. The society seeks to advance the knowledge, practice and standing of occupational health by providing opportunities for professional development, networking and collaboration.

AFOEM Trainee Membership Package

For those training in the field of occupational and environmental medicine, ANZSOM provides access to a range of valuable educational opportunities as well as opportunities to draw on the experience of the broader ANZSOM community. As an organisation, ANZSOM recognises our obligation to support and give a voice to early career professionals, with trainee representation on General Council and Branch Councils. A discounted membership fee is available for those undergoing specialty training through the Australasian Faculty of Occupational and Environmental Medicine. So, get involved!

Trainee members have access to full member benefits, including:

- Member discount for Annual Scientific Meeting registration
- Access to all ANZSOM webinars including the *Occupational Medicine 101* series, specifically designed for AFOEM Trainees
- Member discount to other Branch events
- Online access to two international occupational medicine journals - *Occupational & Environmental Medicine* and *Occupational Medicine*
- Access to the ANZSOM Journal Club
- Access to our online library of learning modules and presentations
- Quarterly newsletter
- Regular communication on news, publications, resources and events related to occupational health issues
- An opportunity to promote your expertise with a public profile via 'Find an Expert' function
- Access to full voting rights

These benefits are available for just \$375 annually, a 20% discount on full membership

ANZSOM membership is a wonderful opportunity to connect with, and learn from professionals across the specialty. Trainees benefit from a wide range of learning and career development opportunities.

Dr Thea Leman – AFOEM Trainee and previous ANZSOM Secretary-General
