Conference highlights

Friday 31 July | Site Visit & Networking

Industry Site Visit – QUBE

An exclusive behind-the-scenes site visit focusing on operational risk management, workplace health hazards, and the practical application of occupational health principles within a port and heavy-industry environment.

Site visit places are limited and allocated on a first-come, first-served basis.

Networking Sundowner – Tradewinds Hotel

An informal evening sundowner at the conference venue, providing opportunities for networking with peers, trainees, and faculty.

Saturday 1 August | Scientific Program

Tradewinds Hotel, Fremantle

A full-day educational program featuring keynote presentations, expert panels, and clinically focused sessions relevant to occupational physicians, trainees, and allied professionals.

Keynote Speakers

Nick Pahl – Society of Occupational Medicine (UK)

Dr Dominic Yong – Immediate Past President, ANZSOM

Program Themes

- People risk and insurance interface
- Occupational hygiene in practice
- Podiatry and injury prevention
- Offshore and remote medicine
- Respiratory medicine and occupational disease

Registrar & Trainee Session

08:00 – 09:00 | Dedicated Registrar & Trainee Meeting

CPD Accreditation

This activity is suitable for AFOEM / RACP Continuing Professional Development under Educational Activities.

Total CPD available: approximately 8.25 CPD hours

Includes the Friday site visit and full Saturday scientific program

Participants should self-record CPD in accordance with individual AFOEM/RACP requirements – certificate of attendance will be provided.
